EXPERIENCE

Editorial Intern — Narratively

New York, NY — June 2022 - Present

Read and review submissions, fact-check stories, draft copy for social media and newsletters. Interview contributors and research new ideas for stories, projects, and promotion avenues.

Creative Director — Brown Political Review

Providence, RI — 2019 - 2021

Led a team of illustrators, art directors, and designers to create visuals for physical and virtual publication. Provided precise critique, help copy edit articles, and solve organizational problems. Spearheaded new comics journalism initiative.

Senior Editor — Brown Journal of History

Providence, RI — 2021

Read and evaluated papers on the basis of originality, clarity, rigor, and style. Provided recommendations for publication. Worked directly with writers to edit accepted papers.

New Media Staff Member — Ivy Film Festival

Providence, RI — 2021

Researched, performed outreach, and interviewed artists for events and publication. Collaborated with a team to ideate and execute a digital exhibition of new media works.

Assistant Artifact Designer — Rough House Theater Company

Chicago, IL — 2019

Designed and fabricated interactive props for an immersive theatrical production by 3D printing, laser cutting, vinyl cutting, and other processes. Developed visual identities and presented to design team. Researched and sourced scenic and fabrication materials.

Build Shop Intern — Manual Cinema

Chicago, IL — 2018

Wrote, storyboarded, designed, shot, and edited independent puppet film alongside professional responsibilities of property fabrication for company films and performances. Assisted with marketing, organization, and miscellaneous tasks.

Head Illustrator — Now Here This

Providence, RI — 2017 - 2019

Led a tight-knit team of creators to develop cohesive aesthetics as well as individual illustrations for audio story anthologies. Helped design websites, and provide feedback on stories and journalism.

Teaching Assistant — Rhode Island School of Design

Providence, RI — 2018 - 2019

Critiqued student work and ongoing projects, helped guide class discussions, aided professors by preparing exercises and managing class space.
